## Solid Gold

**Brewery:** Founder's Brewing Company  
**Location:** Michigan, USA  
**ABV:** 4.4%

Our brewery was built on an attitude of no regrets. An attitude of taking risks to bring the best beer possible to our fellow renegades and rebels. Never brewing to style, but always brewing what we want to drink.

Our take on a classic, Solid Gold is a drinkable premium lager brewed with lager yeast, corn and Lemondrop hops. Challenging what a lager can be? That's something we won't regret.

## Goose IPA

**Brewery:** Goose Island Beer Company  
**Location:** Chicago, IL  
**ABV:** 5.9%

Our India Pale Ale recalls a time when ales shipped from England to India were highly hopped to preserve their distinct taste during the long journey. The result is a hop lover's dream with a fruity aroma, set off by a dry malt middle, and a long hop finish.

Try either of these exciting **NEW** sauces on your favorites OT wings or any other items. But hurry, they are only here for a limited time!
